20TH ANNIVERSARY CELEBRATION

OF THE ENSTOOLMENT OF
OTUMFUO OSEI TUTU II, ASANTEHENE

Background

Ghana's favorable investment climate, coupled with a stable political environment as well as a booming economy, fueled by the recent discovery of oil and gas in commercial quantities, makes it conducive for businesses to thrive in, resulting in good returns for investors.

However, this fact and the investment opportunities existing in the country may not be known to willing investors in many parts of the world.

Also there are many serious local investors seeking foreign partnerships in several sectors of the economy.

World-meets-in-Ghana Investors Forum and Dinner Ball seeks to bring the investment opportunities in the country to the attention of foreign investors and also connect them to local business people seeking partnerships.
